Artwork format

Proofs

A visual proof – electronic – that can be hard copy printed onto paper, will be provided from your artwork. Once approved we will go to print. Any alterations at this stage are chargeable.

Artwork Format

Please endeavor to submit your artwork in PC format, following these guidelines:

- Any text submitted should be no smaller than 3mm
- Artwork should be same size as to be printed/woven and an allowance made for a blank border of 2mm at top and bottom edge of the design.
- A README file should be attached containing written information about the design: colours/Pantone references, font types, point sizes etc.
- We cannot accept artwork that is smaller in size than the final design to be printed /woven
