

Pad Printed Badges

Pad printed badges can be used for **staff, visitors, contractors, conferences and events**. They provide a solution for name badging with the benefits of:

- **Re-usable** badges with low cost replacement name inserts
- **High quality**, will enhance any corporate image
- **Hard wearing**, durable plastic and metal finishes
- Printing of your chosen design/logo in up to 4 **colours**
- Can be used with our small Conference Card Caddie

Types of Badges:

There are 40 different **colour shades** of ink to choose from for printing onto the badges including silver and **gold**. All badges are supplied with sheets of perforated inserts for subsequent personalisation via a laser printer to fit into the windows and clear plastic slides to protect the inserts.

We can offer printed badges in the following sizes:
